

# Moving, and Need Help With Furniture?

In Texas, there are nonprofits and organizations that can assist with furniture when your family is moving. Below are some local and state-level organizations that provide furniture or can help you access it:

## TIPS FOR FINDING FURNITURE ASSISTANCE

- **ACT QUICKLY** Furniture assistance programs have limited inventory or waiting lists, so it's important to contact these organizations as soon as possible when you know you'll be moving.
- **CHECK ELIGIBILITY** Some organizations may have eligibility requirements based on income or family size, so be sure to ask about those details.
- **CONSIDER VOLUNTEER OPPORTUNITIES** Some organizations, like Habitat for Humanity and Goodwill, may offer discounts or furniture for free if you are willing to volunteer.
